

**SOUTHEAST MONMOUTH MUNICIPAL UTILITIES AUTHORITY
RESOLUTION NO. 2018-12**

**RESOLUTION OF THE SOUTHEAST MONMOUTH MUNICIPAL UTILITIES
AUTHORITY AUTHORIZING CAPITAL IMPROVEMENT PURCHASES AND
ASSOCIATED LABOR FOR IMPROVEMENTS IN AN AMOUNT NOT TO EXCEED
\$55,868.00 AND AWARDING A CONTRACT TO LAMANNA ELECTRIC INC**

WHEREAS, the Southeast Monmouth Municipal Utilities Authority (hereinafter referred to as the “Authority”) serves the Township of Wall, the Borough of Brielle, the Borough of Sea Girt, the Borough of Spring Lake and the Borough of Spring Lake Heights and is comprised of member municipalities which receive treated water from the Authority; and

WHEREAS, within the operating budget of the Southeast Monmouth Municipal Utilities Authority funds have been reserved for Capital Improvement Purchases within the Capital Improvement Fund for the Water Treatment Plant located on Hospital Road in Wall, NJ; and

WHEREAS, the New Jersey Water Supply Authority’s in house technical staff recently identified the need to add an electrical switch and cabling to allow a 400 KW portable generator to be connected to the electrical system at the Water Treatment Plant. The improvements under this project will allow for a standby generator to be used which will effectively reduce the load off the existing standby generator. The Authority advertised for bids for the purchase and installation of the equipment; and

WHEREAS, bids were received on June 7, 2018 and LaManna Electric, Inc., in Trenton, New Jersey submitted the low bid in the amount of **\$55,868.00**; and

WHEREAS, the total cost for the Capital Improvements is expected not to exceed the amount of \$55,868.00; and

NOW, THEREFORE, BE IT RESOLVED by the Southeast Monmouth Municipal Utilities Authority that it hereby authorizes use of the Capital Improvement Fund by the New Jersey Water Supply Authority to proceed with the Capital Improvement Purchases and all associated labor for the purchase and installation of an electrical switch and cabling to allow a 400 KW portable generator to be connected to the electrical system at the Manasquan Water Treatment Plant for an amount not to exceed \$55,868.00 and to award the contract to LaManna Electric, Inc., for an amount of \$55,868.00 for completion of this Capital Improvement.
