In old business, None.

In new business, Stephanie DeCotiis provided an update regarding the tank; there had been delays with electrical components but they should be freed up soon.

In further new business, Stephanie DeCotiis stated they had received the final copy of PFAS report.

In further new business, Paul McKeon provided an update for the plant, stating it was a quiet month with little rain. Regarding the PFAS report, Paul further stated they can begin monitoring and will sample from multiple parts to see how carbon is handling PFAS treatment. Paul further stated the DEP has formed a working group with all major surface water purveyors; they will have monthly meetings to ensure everything is ready for reporting by the deadlines required.

There being no further old or new business and no public comment, Bryan Dempsey called for a motion to adjourn and all being in agreement, the meeting adjourned at 9:46 AM.
