In old business, Anthony Colasurdo provided an update for the plant, stating operations were normal for the month of December. He further stated the DEP updated requirements. Typically in the past data would be provided to the board; while they update, for the next few quarters, a report won't be provided. Anthony Colasurdo further stated H2M completed their pilot study; staff at NJWSA is on board with their suggested approach in the report.

In further old business, Mark Kitrick stated that, since resolutions were approved for the bids, contracts will be prepared for all five; Chemicals was the only contract that opted to renew for the one year following the original contract following bids.

In new business, none.

There being no further old or new business and no public comment, Bryan Dempsey called for a motion to adjourn and all being in agreement, the meeting adjourned at 9:40 AM.
